

CPP Main Axis Regeneration Scheme Design Planning Sheet: KS3

Design Team.....

Total Scheme Plan (whole group)	Individual Element Plan (pairs)
1. What do you think needs improving about the main axis and the walkway in front of the NSC?	5. What element will you be designing for your team's regeneration scheme?
2. What will you change about the area as it is now?	6. Draw your design here
3. What will you add to make the area more interesting and attractive?	
4. Each pair should decide which element they will work on for the regeneration scheme e.g. a small building, sculpture, floor surface, seating etc. Draw and annotate your ideas on the plan.
